P. O. Box 1450  
Alexandria, VA 22313

Sir:

Pursuant to 37 C.F.R. §§ 1.56, 1.97, and 1.98, it is respectfully requested that this Corrected Information Disclosure Statement be entered and the document(s) listed on attached Form PTO-1449 be considered by the Examiner and made of record.

In accordance with 37 C.F.R. §§ 1.97(g),(h), this Corrected Information Disclosure Statement is not to be construed as a representation that a search has been made, and is not to be construed to be an admission that (a) the information cited is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b); and/or (b) that the information cited is, or is considered to be prior art.

Applicant filed a Supplemental Information Disclosure Statement on October 28, 2003 citing U.S. Patent no. 3,838,033 as reference A65, and receipt thereof was acknowledged by the Patent Office (see attached copy of returned postcard). However, a typographical error on the form 1449 filed with this Supplemental Information Statement incorrectly listed the patent number of reference A65 as U.S. Patent No. 3,836,033.

Attached is a corrected form 1449 listing U.S. Patent No. 3,838,033 as reference A65. Also attached is a duplicate copy of reference A65 for the convenience of the office.

No fees are believed to be due in connection with the filing of this Corrected Information Disclosure Statement, however, should any fees under 37 C.F.R. §§ 1.16 to 1.21 be deemed necessary for any reason relating to these materials, the Commissioner is hereby authorized to deduct said fees from Deposit Account No. 10-1205/DUMM:011US.

Applicant respectfully requests that the listed document(s) be made of record in the present case.

Respectfully submitted,

William W. Enders
